

2025 MEMBERSHIP FEES

Dear BMFC member, your 2025 membership fees will become due as from the end of January 2025, a grace period to avoid loss of membership is allowed and was agreed upon at the AGM held in May 2024. **No invoices will be sent out unless requested for in writing.**

All members wishing to renew must have made full payment no later than the **28th February 2025**, this will align membership fees with our clubs financial year end. Should payment not be received by this date you will need to re-apply and pay the required re-joining/late payment fee.

It is your membership as well as fund raising events that allow us as a committee to make improvements and maintain the field for every one's benefit. We appreciate the input of all members who have assisted the committee during the year.
